## TERMS & CONDITIONS OF RESIDENTIAL CONTRACT

### WE DO OUR WORK OVERNIGHT

- **WOW SNOW REMOVAL** will provide snow services from November 1<sup>st</sup>, 2022 to April 30<sup>st</sup>, 2023, on a 24 hours/day, 7 days/week basis.
- We will make a return trip to remove the ridge at the bottom of your driveway resulting from city crews after a snowfall of **5cm** or greater.
- Snow drifting due to high winds is the responsibility of the homeowner.
- We will carry out our work in a professional manner with all effort made to avoid property damage.
- The homeowner is responsible for, but not limited to: build-up resulting from sidewalk plows, snowfalls less than **5cm**, freezing rain and drifting snow caused by high winds.
- Due to the nature of our business **WOW SNOW REMOVAL** is not responsible for damages incurred to your driveway caused by any of our equipment on uneven surfaces.
- During snowfalls of **10cms** or more, crews will begin their routes when **75%** of the forecasted snow has fallen.
- In cases where a vehicle is blocking the driveway, we will remove what snow we can with the truck, while safeguarding the obstacle.
- We carry **\$2,000,000.00** in liability insurance coverage.
- As weather forecasting is not an exact science, you may incur some inconveniences. As communication is paramount, please call/email us anytime so that any concerns can be addressed to ultimately serve you better.

**We might not be able to provide front walkway shoveling during the time of driveway clearing, but will return later.**

### Have you heard any one of these excuses from your contractors?

- *We work during the morning or day. We can only get you done by the time you get home from work.*
- *There is not enough snow. Our contract stipulates 5cm or more.*
- *We don't do salting or if we do – it is extra charge.*
- *We only come once during the snow fall and that's at the very end.*

**If you heard one or more of these excuses, maybe it's time to find a new or better contractor.**

### We at WOW SNOW REMOVAL don't take excuses. For example, last year we went out 19 times for our customers.

- *9 times for 5cm or more*
- *8 times for 3 cm or more*
- *2 times for salting (freezing rain and ice buildup)*
- *We serviced all of our customers all over night before they woke up and went to work.*
- *We also come back second time when the City comes by and plows them in.*

**This is our normal service. That is what we do for our customers.**

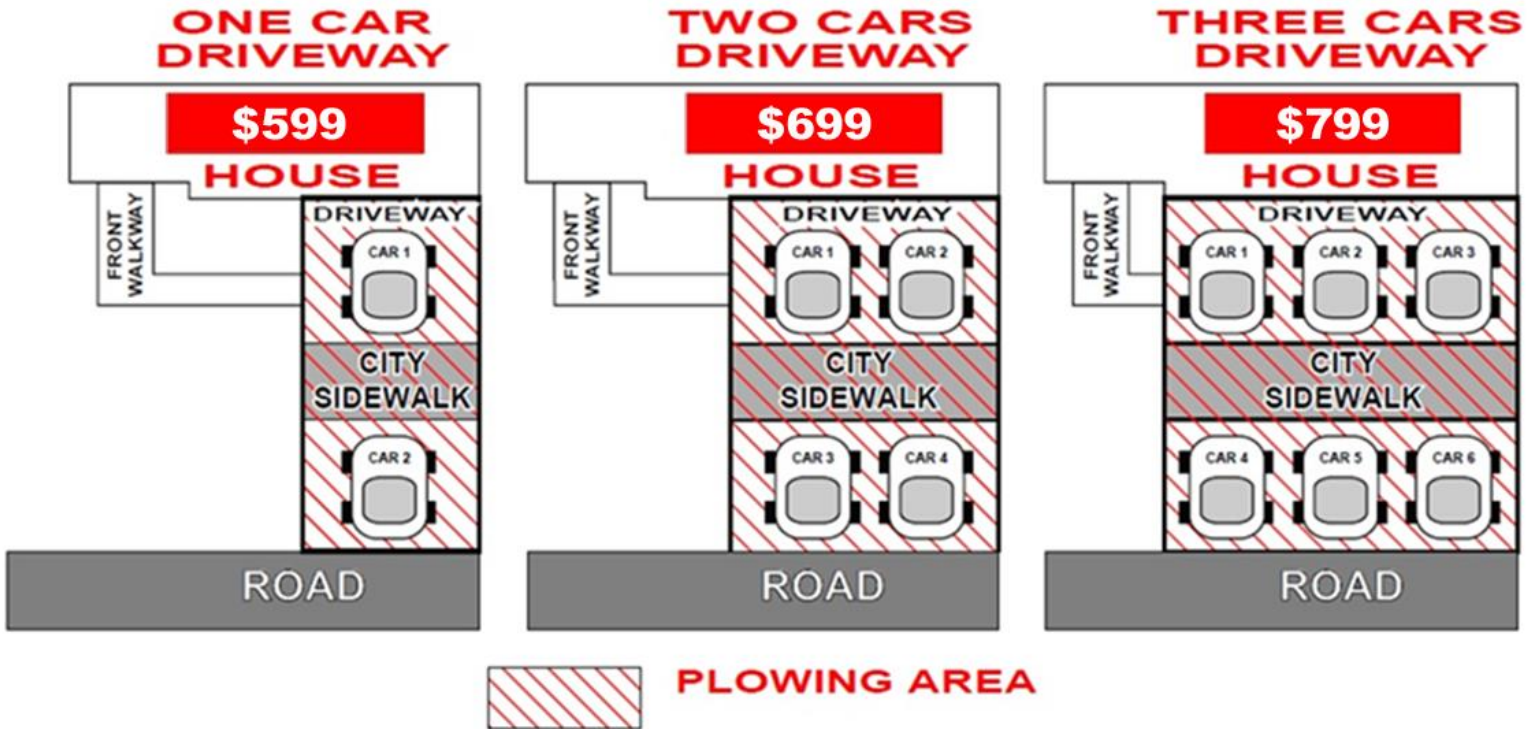

**So, if you are looking for a better snow contractor and you want to get your driveway clean before you go to work – call us at **WOW SNOW REMOVAL** for twice the service at a reasonable price.**
